

## **CVL** YUKO AGRO STOU 10W-30

### Multigrade universal oil.

#### Description

Multipurpose high performance tractor oil, produced of high quality base oils and the most advanced additive package. Ensures universal application for all agricultural and tractor equipment.

Multigrade universal, multipurpose motor-, gear-, hydraulic type oil STOU (Super Tractor Oil Universal) for agricultural machinery.

#### Enabled packing

 Tin bucket 20L

 Canister 20L

 Barrel 200L

#### Benefits

- Good thermal and oxidation stability reduces sludge and high temperature deposits;
- The high base number counteracts carbon formation, allows to keep the engine clean, increasing its life time;
- Excellent low temperature properties provide easy starting of the engine, hydraulics excellent work during the cold season;
- Multigrade and multipurpose application (engine, transmission, hydraulics);
- Compatible with other engine and transmission oils of the same specification.

#### Compliance

**SAE 10W-30 | API CG-4/CF-4/CF/SF |**

#### Typical characteristics

Viscosity mm <sup>2</sup> /s at 100 °C	11.3
Viscosity Index	140
Flash point °C	220
Pour point °C	-30
TBN mg KOH/g	9.5
The ash content of %	1.46
Density at 20 °C, kg/m <sup>3</sup>	878

#### Temperature range

Produced according to TC U 23.2-31852954-018-2004. This information is a reference and can be changed without notice. This publication from 01.11.2015 replaces all of the early published descriptions of the product.
