

CVL YUKO NIGROL-Z (GL-1, SAE 90)

Mineral winter transmission oil without additives.

Description

Used in winter as power fluid in gearboxes, low-loaded units of industrial equipment, exposed gear transmissions, planetary gears of cranes, excavators, gear transmissions and transmission units of industrial equipment, tractors, agricultural and road machinery, construction machinery.

Enabled packing

 Barrel 200L

 In bulk

Benefits

Compliance

SAE 90 | API GL-1 |

Typical characteristics

Kinematic viscosity at 100°C, mm ² /s	20
Flash point in open crucible, °C	150
Pour point, °C	-15

Temperature range

Produced according to TU U 23.2-31852954-010-2003. This information is reference and it can be changed without a notice. This article is from 01/09/2014, it replaces all the early published descriptions of the product.
