

**CVL** **SP** **YUKO TRANS 85W-140**

**All-season oil for heavy-loaded hypoid gears.**

### Description

Used year-round for lubrication of heavy-loaded hypoid gears, distributor boxes, steering gears.

Developed in full compliance with the requirements of domestic and foreign hypoid gears manufacturers both for trucks and passenger cars. Produced of high-quality base oils with foreign additives package.

### Enabled packing

 Tin bucket 20L

 Barrel 200L

 In bulk

### Benefits

- Provides good lubricating properties, improved performance reliability and fail safety;
- High thermal and oxidative stability of oil base minimizes deposit formation on the wheel gear;
- Superior corrosion protection in case of water ingress to the system;
- Increased compatibility with gasket and seal materials.

### Compliance

**SAE 85W-140 | API GL-5 |**

### Typical characteristics

Kinematic viscosity at 100°C, mm <sup>2</sup> /s	25,7
Density at 20°C, kg/m <sup>3</sup>	895
Viscosity index	128
Flash point in open crucible, °C	200
Pour point, °C	-15

#### Temperature range

Produced according to TU U 23.2-31852954-013-2003. This information is reference and it can be changed without a notice. This article is from 01/09/2014, it replaces all the early published descriptions of the product.
