

YUKO VMGZ (HV 15)

Hydraulic oil.

Description

Intended for year-round use in hydraulic control systems and hydraulic gear of construction, harvesting, road, handling and other equipment.

Produced of high-quality base oils with additives.

Enabled packing

 Canister 20L

 Barrel 200L

 In bulk

Benefits

- Excellent viscosity-temperature properties within in a wide temperature range;
- High oxidation and chemical stability;
- Continuous oil operation in the hydraulic system;
- Protects hydraulic gear components against wear and corrosion;
- Good anti-foam properties.

Compliance

ISO 15 | ISO HV |

Typical characteristics

| | |
|---|------|
| Kinematic viscosity at 50°C, mm ² /s | 14.7 |
| Density at 20°C, kg/m ³ | 875 |
| Viscosity index | 130 |
| Flash point in open crucible, °C | 140 |
| Pour point, °C | -50 |

Temperature range

Produced according to TU U 23.2-31852954-003-2003. This information is reference and it can be changed without a notice. This article is from 01/09/2014, it replaces all the early published descriptions of the product.
